

# WE NEED YOUR HELP!

Finding a good service customer can be as difficult as finding a good service provider. That's why we need your help. You may know someone that could desperately use our on-site or remote networking services. If you do, please let us know. In return, we'll give you *2 free hours of service\** (a \$450 value) and provide your referral with a *free network analysis*. If you introduce us personally, we'll throw in *1 additional hour of service!*

*And we'll give you the same deal on every referral you send us!*

It's a win-win situation. Your friend gets the same great service Iron Horse has provided for years and you get our time and advice for free!

If you are in position where you cannot legally take advantage of our free offer, we still could use your help! If you're happy with the service that you've received from Iron Horse, please tell a friend about us! You'll have our deepest gratitude which, hopefully, is its own reward.

*\* Hours will be awarded to existing customers upon completion of the first billed service provided to the referral customer.*
